

Assignment: Leadership Styles

You will need to lead the class in an activity of building a paper airplane.

Your leadership style will be **AUTOCRATIC**.

What this means is you will give direct orders, you will not consult others when giving directions, and you feel that what you say goes.

As you lead the class, role-play how a manager with this style would direct the class in developing a paper airplane.

Assignment: Leadership Styles

You will need to lead the class in an activity of building a paper airplane.

Your leadership style will be DEMOCRATIC.

What this means is that managers and workers work together to accomplish a goal. Employee participation is important.

As you lead the class, role-play how a manager with this style would direct the class in developing a paper airplane.

Assignment: Leadership Styles

You will need to lead the class in an activity of building a paper airplane.

Your leadership style will be LAISSEZ-FAIRE.

What this means is you will set the standard but allow employees “free reign” to do whatever it is they need to do to get the job done.

As you lead the class, role-play how a manager with this style would direct the class in developing a paper airplane.
