AND THEIR ADDRESS

ONE BLANK LINE BETWEEN EACH PARAGRAPH

Dear Mr. Brady,

I am writing to tell you that you are the best quarterback that has ever played the game of football.

1ST PARA – WHY ARE YOU WRITING?

I have been a huge New England Patriots fan since October 12, 1997, when I went to a game against the Buffalo Bills. I was hooked ever since. However, I have been most impressed with you since 2000 when you took over from Drew Bledsoe and led the team to a Super Bowl championship. I enjoy watching you in action and especially appreciate your "team" approach. You've never been on to s commendable in today's "al about me" society.

2ND PARA – DETAILS/EXPLANATION

Please continue to be a role model of our youth and I wish you most success in this truly amazing season. I am looking forward to another championship!

3RD PARA – WHAT WOULD YOU LIKE TO DO OR WHAT ARE YOU GOING TO DO

Sincerely,
